Jackal map and trajectory by goal request

jackal_20261014_143642 | Oct 14, 2026 14:36-14:54 EDT | Map resolution: 0.05 m

G1-G11: goal-request intervals. Labels mark where the robot was estimated to be when each RViz request was issued.

Request positions are approximate. Target coordinates and Nav2 acceptance/completion times are unavailable.
